

Jirayut Sikkhacharoen

WEB DEVELOPER

PERSONAL INFO

After over 3 years of experience in the hospitality industry as a restaurant captain position, I've developed strong leadership, communication, and problem-solving skills. Now, as a self-driven web developer transitioning into tech, I bring that same dedication and adaptability to learning and building real-world projects. I'm deeply passionate about web development, committed to continuous learning, and excited to explore new technologies and challenges.
